The structure of the 7th edition of Contemporary Strategy Analysis is little changed from its preceding edition. There is just one new chapter; this results from splitting Chapter 5 on resources and capabilities into two. The key changes are extensions of the book to include emerging ideas in strategy analysis and major changes in the business environment. The book is also significantly

The 1st edition of Contemporary Strategy Analysis was published in 1991. It grew out of a training course in strategy analysis that I developed for a London-based consulting company and my redesign of the core MBA strategic management course at the University of British Columbia. It was never my intention to write a textbook on strategy; the task was forced on me by my inability to find a

'Contemporary Strategy Analysis' offers a balanced analysis of concepts, techniques & applications about business strategy. I find Grant's analysis of various schools of strategy relatively unique compared with books in the market. The content flows fluidly chapter after chapter, & I find the book to be an enjoyable read. The treatment of each topic is concise with great case studies
