This was the social basis for the appearance of race ideology as a scientific discipline. Richard Fraser, *The Struggle Against Slavery in the United States*

**"Ideology and Race in American History", by Barbara Fields**

*Ideology and Race in American History* Barbara J. Fields. The notion of race has played a role in the way Americans think about their history similar to that once played by the frontier and, if anything, more durable. Long after the notion of the frontier has lost its power to do so, that of race continues to tempt many people into the mistaken belief that American experience constitutes the
