Rational Management Such results begin to occur only after planning and plain hard work. Rational management, which means making full use of the thinking ability of the people in a n organization, is a continuing process. Use of the ideas-and their benefits-will eventually fade out if they are not continually used and reinforced. Rational Management aims at major change and therefore demands

Think Mental Models PDF - [PDF Document]

www.ThinkMentalModels.com. How people like US get really smart. The better decision maker has at his/her disposal repertoires of possible actions; checklists of things to think about before he acts; and he has mechanisms in his mind to evoke these, and bring these to his conscious attention when the situations for decision arise.
