This book is a perfect prequel to the main series of books it establishes the main characters and plot of the following series fantastically. Also the book came as described on time and with very minimal damage.

Review: [The Sword of Destiny - Geeks Under Grace](#)

The Sword of Destiny is the first book that the Polish author penned, published in his homeland in 1993; regarding the Witcher saga timeline, the events chronicled in this short story collection take place after those found in its sequel, The Last Wish, originally published that same year.
